Public Education

The Colorado Poison Center distributed over 39,626 poison prevention brochures, stickers, magnets, and other educational materials in English and Spanish throughout Colorado. In addition, Specialists and Physicians from the Poison Center gave 21 presentations on Medication Safety and Poison Prevention as well as poisoning treatment.

Professional/Public Education

The Colorado Poison Center is able to provide on-site appearances for professional/public education on a limited capacity. If you are interested in having a presenter for your event, please call our Education line at 303-389-5506.

Who calls the poison center?

Poison centers take calls from the public and healthcare professionals, managing cases about people of all ages, and can provide help in 150 languages. Each year about half of exposure cases managed by poison centers involve children younger than six, but many of the more serious cases occur among adolescents and adults.
